Tamkeen

Letter of Recommendation

This letter is to recommend **Mohammed Omar Kudmani**, who successfully completed the Backend Development with Laravel training track delivered by Tamkeen, totaling 110 training hours. Throughout the program, he demonstrated solid backend development skills in Laravel, relational databases, RESTful APIs, authentication, and Git-based workflows.

His final project reflected strong technical execution, structured architecture, and secure, high-performance code, earning a final score of [90/100].

Mohammed Omar Kudmani, demonstrated a strong problem-solving mindset, showed a solid attention to detail, and a collaborative approach to development.

We recommend **Mohammed Omar Kudmani**, for professional opportunities in backend development and trust that they will bring value to any technical team.
