

## Letter of Recommendation

This letter is to recommend **Mohamed Yahia Almhdi**, who successfully completed the Mobile Development training track delivered by Tamkeen using Flutter, totaling 110 training hours.

Throughout the program, they demonstrated solid skills in Dart language, project architecture, responsive layouts, state management, and API integration.

Their final project reflected strong technical execution, clean and scalable architecture, and a user-friendly design, earning a final score of [87 / 100].

**Mohamed Yahia Almhdi** demonstrated a strong problem-solving mindset, showed consistent attention to detail, and collaborated effectively in a team development environment.

We recommend **Mohamed Yahia Almhdi** for professional opportunities in Flutter development and trust that they will bring value to any technical team.
